Modernized Bankruptcy Forms Conversion Charts

December, 2015

The Forms Modernization Project from the Judicial Conference began in 2008 with the stated purpose of making bankruptcy forms easier to understand. The amendments are scheduled to take effect on December 1, 2015.

To accomplish the goal of making bankruptcy forms easier to understand and use, conversational language is used throughout the proposed forms. The forms make heavy use of checkboxes, instructions, and employ various font characteristics to differentiate content.

Two sets of forms are created: one set to be used in individual debtor cases and another set to be used in non-individual bankruptcy cases. Individual forms numbers are changed to start in the 100s, Non-Individual forms start in the 200s, Court forms start in the 300s, and Director's forms start in the 400s. New forms have been added as well. These forms are included in the charts on the following pages.
